

VOLUNTEER Today!

You hold the hand of many
Listen to the words of all
You become more than company
And are there at the slightest call
Bringing joy, laughter, warmth and song
Leaving with what you knew all along
That shared peace with a willing heart
Can be found in all of us
When we each do our part.

VMP Manor Park and VMP Trinity are at the forefront of providing health care services to mature adults. Through the years of working with active seniors, to those in need of hospice care, we have identified challenges and created solutions. The expertise has led to educating health care professionals to care for the seniors of tomorrow. *No other residential communities have the depth of on-site health care services or offer more fun events for active seniors.*
